A Unit consists of all of those elements and areas shown and identified on the applicable Condominium Plan as being a part of such Unit. Whenever reference is made in the Condominium Plan or in this Declaration to any of the Units, it shall be construed that the reference is made to the Unit as a whole and each of its component parts. The provisions of this Section 1.35 shall be applicable with respect to Units within each Residential Condominium Project (and, if appropriate, to any other Units in any condominium project developed or to be developed on any Additional Property annexed into the Property as herein provided) unless otherwise specified in the Condominium Plan covering such Unit.

(b) Each Unit shall be a separate freehold estate, consisting of the dwelling air space defined by the boundaries of the Unit as set forth in Section 1.35(c) below and some or all of the elements more particularly shown as

(e) All air space boundary lines intersect at right angles, unless otherwise indicated on the applicable Condominium Plan.

(f) All ties to project boundaries from building corners are measured along the prolongation of the building line.

Each Unit is subject to such encroachments as are contained in the Condominium Building, whether the same now exist or may be later caused or created in any manner referred to herein. In interpreting deeds and plans, the existing physical boundaries of the Unit constructed or reconstructed in substantial accordance with the original plans shall be conclusively presumed to be its boundaries, rather than the metes and bounds, or other descriptions or elevations, expressed in the deed or applicable Condominium Plan regardless

of settling or lateral movement of buildings and regardless of minor variances between the boundaries shown on the applicable Condominium Plan or in the deed and those of a building or structure.

No boat or vehicle shall be repaired or rebuilt in any area within the Community, except as may be permitted by the Association. The term "vehicles customarily used for means of general transportation" as used herein may be defined and interpreted from time to time by the Board in the Association Rules. Without limiting the effect of the foregoing restrictions, no vehicles or boats of any kind shall be parked within the Property, except in garages and in areas from time to time improved for parking purposes, and specifically designated pursuant to the provisions of this Declaration and/or by the Board for such purpose. No motor homes or recreational vehicles shall be kept on any portion of the Property except as expressly permitted herein, by the Association Rules or the Board.

7.01 Master Common Area Use. The use of the Master Common Area within the Community shall be for such purposes customarily permitted in quality common interest residential subdivisions located in the vicinity of the Community, sub-

ject to such additional limitations as may be determined from time to time by the Association; provided, however, that any such limitation shall not be unreasonable and shall not be generally inconsistent with the provisions of this Declaration.

7.02 Designation and Classification of Private Street Areas. All areas designated as Private Streets on any subdivision map or parcel map now of record or hereafter recorded and covering property located within the Community, including without limitation, those Private Street Areas described on the attached Exhibit "N", shall be and are hereby classified as "Private Street Areas", and shall be improved and maintained for road and private street purposes only. Specific interpretation as to the meaning of "road and private street purposes" as permitted uses and additional restrictions, if any, for Private Street Areas, governing matters pertaining thereto, including but not limited to, construction and alteration of improvements thereon, shall be as set forth herein and/or as may be fixed by the Association in the Association Rules; provided, however, that any and all such interpretive provisions and supplemental restrictions shall be generally consistent and compatible with the provisions of this Declaration. Bridges, sidewalks, pedestrian crossings, speed control devices, guard gates, security booths, parking areas and public or private utilities may be constructed and maintained on, through, under or across any Private Street Area; provided that none of the foregoing (except the guard gates and the security booths which are designed to control access) shall materially affect the access provided by the Private Street Area at a time other than during the construction thereof.

7.03 Non-Exclusive Private Street Easements. Each Residential Condominium Project, each Unit, the Master Common Area and all other areas now or hereafter developed within the Community shall have appurtenant thereto a non-exclusive easement ("Nonexclusive Private Street Easements") for pedestrian and vehicular ingress, egress, travel and private street, purposes, over, across and through the Private Street Areas defined in Section 7.02 above. Such reciprocal non-exclusive easements shall be for the benefit of the respective Owners of Condominiums and all other areas within the Community and their successors, assigns, guests, servants, licensees and invitees. The Non-Exclusive Private Street Easements are subject to any and all Community Restrictions from time to time promulgated and in effect and such other matters as may be specified elsewhere herein, including without limitation, matters having priority as a matter of law over the non-exclusive easements and Private Street Easements.

7.04 Recreational Areas. The Recreational Areas are described on Exhibit "O" attached hereto. The permitted uses and restrictions for Recreational Areas, and the restrictions governing the construction and alteration of improvements thereon, shall be as set forth herein. All of such permitted uses and restrictions shall be compatible with the use of such areas for recreational clubhouses, swimming pools, tennis courts, greenbelts or other recreational areas and facilities for the primary use of Community residents and their guests, including commercial uses incidental thereto. Bridges, streets, highways, sidewalks, driveways, parking facilities, ponds or waterways, public or private utilities and rest room facilities may be constructed and maintained on, through, under or across any Recreational Area. The Recreational Area shall be subject to all applicable Community Restrictions.

7.05 Maintenance of Private Street Areas and Recreational Areas. The Association shall maintain or cause to be maintained the Private Street Areas and Recreational Areas in good and clean condition and shall be responsible for the upkeep, repair, replacement and/or repaving of such area as needed.

7.06 Vehicle Storage Area. Lot 2 of Tract 8168 has been classified as a vehicle storage area (the "Vehicle Storage Area") herein; as more specifically described on Exhibit "P" attached hereto, for the parking and storage of currently registered (by the Department of Motor Vehicles) boats on trailers, trailers, campers, travel trailers, and motor homes (for convenience the foregoing items are referred to herein as "vehicles"). The said Lot 2 may be used for any purpose compatible with and/or similar to the primary purpose specified in this Section 7.06, including the washing of any such vehicles and/or equipment, but specifically excluding, however, activities such as engine overhaul, major mechanical repairs, and storage of spare parts and repair equipment. There shall be no dumping of sewage or waste products in the Vehicle Storage Area except in the specific areas provided for such activity. Only vehicles owned, leased and/or legally controlled or possessed by residents of condominiums within the community shall be parked within the Vehicle Storage Area. Residents and/or owners of condominiums within the community shall not allow any person who is not such an owner and/or resident to make use of any parking space within the Vehicle Storage Area (whether by rental, lease or otherwise). The Vehicle Storage Area shall not be used for camping or overnight stays. No vehicles (except pick-up trucks) normally used for any type of commercial activity shall be parked within the Vehicle Storage Area without the prior written approval of the Association in its sole discretion. The Association may elect at any time and from time to time to stripe the surface of the Vehicle Storage

87-667673

Area to provide variously sized parking spaces. Once such striping has been completed, then until the striping has changed or until the Association waives this requirement, no vehicle shall be parked in a parking space so striped unless it fits within such space without overlapping. The Association may at any time and from time to time impose maximum height limitations on vehicles to be parked within the Vehicle Storage Area. Additionally, the Association shall have the right to promulgate such further rules and regulations pertaining to the Vehicle Storage Area and its use, as may be reasonably necessary and/or desirable in its judgment to promote the best interests of the community.

The Vehicle Storage Area has been leased to the Association, as the successor in interest to the original Foundation, pursuant to that certain Amendment Number 1 to short form Foundation Sublease and Purchase Agreement, dated October 31, 1974, and recorded November 1, 1974 by Developer, and is subject to all the terms and conditions set forth therein.

The Association shall from time to time on a non-discriminatory, "first come, first serve" basis, assign parking and storage areas to owners of condominiums within the community for use in parking and/or storing vehicles and equipment of the nature and type described above. The Association shall be entitled to charge rent for the spaces. Rentals charged by the Association, if any, may vary based upon size of space, location, desirability or other objective criteria, but not for the purpose of discriminating between condominium owners. At any time when the number of condominium owners desiring to have parking spaces assigned to them, exceeds the number of parking spaces available within the Vehicle Storage Area, the Association shall not assign or permit the continuation of an assignment to any owner of more than one (1) parking space per condominium owned by such owner.

ARTICLE VIII

ASSOCIATION, ADMINISTRATION, MEMBERSHIP AND VOTING RIGHTS

8.01 Organization. The Association shall be a California non-profit mutual benefit corporation charged with the duties and vested with the powers prescribed by law and set forth in the Community Restrictions. Neither the Articles nor Bylaws shall, for any reason, be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration.

8.02 Association to Manage and Operate Common Areas. The fee or leasehold interest, management, operation, maintenance and administration of the Master Common Areas and

the management, maintenance, operation and administration of the Residential Common Areas and the Community shall be vested in the Association in accordance with the provisions of this Declaration, except as otherwise provided in this Declaration, the Articles and the Bylaws as all such instruments may be from time to time amended.

8.03 Membership. Upon becoming the Owner of a Unit, an Owner shall automatically be a Member of the Association, and shall remain a Member thereof until such time as his ownership ceases for any reason, at which time his membership in the Association shall automatically cease. Membership in the Association shall be appurtenant to and may not be separated from ownership of any Condominium. Membership shall be in accordance with the Articles and Bylaws of the Association. If the Owner of any Unit rents his Unit, rights to facilities on the Residential Common Areas and Master Common Area cannot be retained by such Owner, but shall be exercised only by the lessee of such Owner and such lessee's family, guests and invitees, subject to the Association Rules.

8.04 Transfer of Membership. Membership and voting rights in the Association shall not be transferred, pledged or alienated in any way, except upon the sale or encumbrance of the Condominium to which it is appurtenant, and then only to the purchaser, in the case of a sale, or Mortgagee in the case of an encumbrance of such Condominium. Notwithstanding the foregoing, any member may give a revocable proxy to any person or may assign his right to vote to a lessee or Mortgagee of such Member's Condominium for the term of the lease or Mortgage. Any attempt to make a prohibited transfer is void and will not be reflected upon the books and records of the Association. Any transfer of legal or equitable title to a Condominium shall operate to automatically transfer membership in the Association to the new Owner and the membership rights of the transferor shall automatically cease and terminate. Upon the closing of the transfer of any Condominium, the transferee shall pay to the Association a capital contribution of SIX HUNDRED FIFTY DOLLARS (\$650.00) or such other amount from time to time determined by the Board, not to exceed one percent (1%) of the fair market value of the Condominium transferred, which fair market value shall be equal to the sale price of such transferred Condominium, for fair and adequate consideration, and otherwise in the reasonable discretion of the Board.

If said contribution is not paid within thirty (30) days after transfer of Membership, then said contribution shall thereby be deemed an unpaid Special Assessment and collectible in accordance with, and pursuant to, the provisions of Article X of the Declaration.

*The requirement to pay the capital contribution as set

forth in this paragraph shall not apply where the transfer of the Condominium in question is:

(i) A transfer between co-owners which results in a change in the method of holding title to the real property without changing the proportional interests of the co-owners, such as a partition of a tenancy in common.

(ii) A transfer for the purpose of perfecting title to the property.

(iii) The creation, assignment, termination or reconveyance of a security interest, or the substitution of a trustee under a security instrument.

(iv) A transfer into a trust for so long as (a) the transferor is the present beneficiary of the trust, or (b) the trust is revocable; or any transfer by a trustee of such a trust described in either clause (a) or (b) back to trustor.

(v) A transfer by an instrument whose terms reserve to the transferor an estate for years or an estate for life; however, the termination of such an estate for years or estate for life shall constitute a change in ownership and payment shall then be due.

(vi) An interspousal transfer of any nature."

8.05 Vested Voting Rights. Voting rights of Members in the Association have heretofore vested as to all Condominiums in the Community.

8.06 Membership Classes and Voting Rights. The Association shall have one (1) class of voting membership. Each Unit shall be entitled to one (1) vote. When more than one person holds an ownership interest in any Unit, all such persons shall be Members of the Association, but in no event shall more than one (1) vote be cast with respect to any one Unit, provided that in any election of the members of the Board, every Member entitled to vote at such an election shall have the right to cumulate his votes and give one candidate, or divide among any number of candidates, a number of votes equal to the number of votes to which that Member is entitled in voting upon other matters multiplied by the number of directors to be elected. The candidates receiving the highest number of votes, up to the number of Board members to be elected, shall be deemed elected.

8.07 Joint Owner Disputes. The vote of each Condominium shall be cast and consent of the Owners shall be given, if at all, as a unit, and fractional votes and consents shall not be allowed. In the event the joint Owners of a Condominium are unable to agree among themselves as to

how their vote shall be cast or their consent given, their vote shall be counted in accordance with the provisions of California Corporations Code Section 7612. If any Owner casts a vote or gives its consent representing a certain Condominium, it will thereafter be conclusively presumed for all purposes that he was acting with the authority and consent of all other Owners of the same Condominium.

8.08 Meetings of Members. Meetings of Members shall be held at the times, in the manner and for the purposes set forth in the Bylaws.

8.09 Association's Merger or Consolidation. The Association shall have the right to merge or consolidate with another homeowners association, subject to the affirmative vote of the Members of the Association holding not less than a majority of the voting power of the membership of the Association or such greater percentage as may be from time to time required by law. Upon such merger or consolidation, the real properties, rights and obligations of the Association may be transferred to such other surviving or consolidated condominium owners' association or alternatively, the properties, rights and obligations of such other condominium owners' association may be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association shall then administer, to the extent reasonably possible, the easements, covenants, conditions, and restrictions established by this Declaration within the existing Property together with the easements, covenants, conditions, and restrictions established on any other property as a uniform plan.

ARTICLE IX

DUTIES AND POWERS OF THE ASSOCIATION

9.01 General Statement and Limitations. The Association shall have the right and power to do all things reasonably necessary and/or desirable for the management, operation, maintenance and administration of the Community to the extent provided for herein; provided, however, that nothing to the contrary herein or in any of the other Community Documents withstanding, the Association shall not take any of the following actions, except with the vote or written assent of a majority of the voting power of the membership of the Association:

(e) Filling a vacancy on the Board of the Association created by the involuntary removal for cause of a board member by the Members, provided that the Board may appoint a Board member to serve the unexpired term of any Board member resigning or removed by reason of death, illness, relocation and similar causes.

Subject to the provisions of the Community Documents, the powers of the Association shall include, but not necessarily be limited to, the specific acts hereinafter enumerated or as set forth in the California Civil Code, Section 1363.

9.02 Specific Duties and Powers. In addition to the duties and powers enumerated in its Bylaws or elsewhere in this Declaration or in the other Community Restrictions, and without limiting the generality thereof, the Association shall:

(a) Have the authority as to the Common Areas and all of the Condominiums to obtain for the benefit of the Association and the Owners water, sewer, electrical, telephone, gas and other necessary utility services as well as refuse collection, janitorial services, landscaping and garden service and other necessary services, and to pay out of the assessments levied and collected in accordance herewith the charges and fees for the foregoing services.

(i) Obtain and maintain a master or blanket policy of property insurance for one hundred percent (100%) of the full replacement value, without deduction for depreciation, of all real property within

87-667673

the Community including but not limited to improvements therein. Such policy or policies may contain coverage for fire, lightning, vandalism and malicious mischief, with the extended coverage endorsement or may contain broader coverage against risks of direct physical loss unless such loss is excluded by definition. The policy or policies may contain a replacement cost endorsement, an agreed amount endorsement and a blanket policy endorsement. Such policy shall cover that portion of the real property under the direct maintenance and control of the Association and the stairs and landings described in Section 4.20 above. Such policy, policies or blanket policy limit shall be in such amounts as shall be determined from time to time by the Board, shall name as insured the Association, the Owners and all Mortgagees of the Condominiums and, if any, of the Master Common Areas, as their respective interests may appear. The said property insurance policy may, in the discretion of the Board, provide for a deductible of not less than FIVE HUNDRED DOLLARS (\$500.00) or more than one percent (1%) of the face amount of the policy, policies or blanket policy limit.

(ii) Obtain and maintain a policy or policies insuring the Association, the Board, the Manager and the Owners, and agents and employees of each of the foregoing, against any liability incident to the ownership and/or use of the Residential Common Areas, the Master Common Areas, and, at the option of the Board (but without the obligation so to do) and in accordance with Paragraph D of Section 9.02(b)(viii) below, the Units within each Residential Condominium Project as normally covered by comprehensive general liability insurance, and if obtainable, a cross liability to each other insured. Said policy or policies shall have a minimum liability limit of ONE MILLION DOLLARS (\$1,000,000.00) per occurrence for physical injury, death and/or property damage. Such policy or policies shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of the negligent act of the Association or other Owners.

(iii) As the Community is located in an area identified by the Secretary of Housing and Urban Development or any successor agency as an area having special flood hazards, obtain and maintain a "blanket" policy of flood insurance on the Property.

In connection with such coverage, an appropriate endorsement to the policy shall be obtained and maintained to cover any persons who serve without compensation if the policy would not otherwise cover volunteers.

(v) Obtain and maintain "Directors and Officers" liability insurance. Such policy shall cover the Board and the officers of the Association for "wrongful acts" while serving in such capacity as director or officer and shall also insure volunteers, committee members, agents, property managers and employees. The limit of liability shall not be less than ONE MILLION DOLLARS (\$1,000,000.00) per claim and ONE MILLION DOLLARS (\$1,000,000.00) in the aggregate.

(vi) Obtain and maintain workers' compensation insurance to the extent necessary to comply with any applicable law.

(vii) Obtain and maintain such other policies of insurance as the Association may deem appropriate.

(viii) Deal with any such insurance referred to in this Section 9.02 as herein provided. The provisions of this Declaration shall control the rights and responsibilities of the Association, the Board and the Owners.

A. The Association is hereby appointed and shall be deemed trustee of the interests of all Owners in any insurance proceeds paid under any such policies, or under any policy or policies carried by the Owners in lieu of policies called for above, which proceeds shall be paid to the Association, and shall have full power to receive and to receipt for their interests in such proceeds and to deal therewith and adjust same as provided for herein.

B. It shall be the duty of the Association to obtain and keep in full force and effect at all times the policy or policies of insurance referred to in this Section 9.02(b); provided such insurance coverage is available and can be obtained and maintained at reasonable cost to the Association as determined in the sole discretion of the Board of the Association. If it is determined that

such insurance coverage is not available at reasonable cost, then all Owners shall immediately be notified in writing and advised as to any change in coverage and/or to obtain and maintain coverage on their own behalf as provided for above.

C. Each and every Association policy of insurance described herein shall contain a provision that said policy or policies shall not be materially modified, canceled, terminated or permitted to expire by their own terms without thirty (30) days' prior written notice from insurer to the Association, and such Owners, Mortgagees and other persons in interest who shall have requested in writing such notice from the insurer.

D. It should be understood that the Association is obligated, subject to the limitations herein provided, to provide only the insurance coverages required by this Section 9.02(b), and that such coverages shall not, unless the Association shall notify the Owners otherwise in writing, include intra-unit public liability insurance.

E. The policies of insurance obtained by the Association as provided for in this Section 9.02(b) shall contain as appropriate the following provisions:

(1) Statements that such policies are primary and noncontributing.

(2) Statements that conduct of an Owner shall not constitute grounds for avoiding liability under such policy or policies.

(3) An express waiver of the carrier's right of subrogation against any Owner, member of the family or tenant of any Owner, the Association, the Board, the Manager, the Architectural Control Committee, and agents and employees of each of the foregoing.

F. Each hazard insurance policy to be obtained and maintained pursuant to the provisions of this Declaration must be written by an insurance carrier which has a financial rating by Best's Insurance Guide of Class B/VI

or better, or from a non-rated insurance carrier so long as the financial strength and/or solvency of such carrier is accepted and approved by the Board or such carrier is fully reinsured by a reinsurance company which holds a Best's rating of Class VI or better.

(c) Subject to the provisions of Section 9.01 above, have the authority to obtain the services of a person or firm to manage the Residential Common Areas and the Master Common Area and perform or cause to be performed all or any part of the duties and responsibilities of the Association (the "Manager") to the extent deemed advisable by the Association, as well as such other personnel as the Association shall determine shall be necessary or proper for the operation of the Residential Common Areas and the Master Common Area, whether such personnel are employed directly by the Association or furnished by the Manager.

(d) Have the power and duty to establish and maintain working capital, reserve and/or contingency funds in reasonable amounts to be determined by the Board, and levy assessments pursuant to Article X below.

(e) Subject to the provisions of Sections 4.18, 4.19, 4.20, 5.01 and 5.05 above and the provisions of Article IX below, paint, maintain and repair the Residential Common Areas and the Master Common Area, and the improvements, facility, furnishings, equipment and landscaped areas, if any, located within such Residential Common Areas and the Master Common Area, and all other real property at any time acquired by the Association, and the fencing and exterior surfaces of perimeter walls surrounding any patio and/or deck, and keep same in good and clean condition, except for those areas which are to be kept clean and/or maintained by the Owners pursuant to the provisions of Sections 4.18, 4.19, 4.20, 5.01 and 5.02 hereof. The responsibility of the Association for maintenance and repair shall not extend to repairs or replacements arising out of or caused by the willful or negligent act or neglect of an Owner, or his guests, tenants, or invitees, the cost of which is not covered by insurance; the uninsured cost of such repairs or replacements shall be borne by the Owner and/or the person causing the damage, as set forth in Section 4.22 above.

(f) Pay all general and special real property taxes, assessments and other charges assessed against the Master Common Area or any portion thereof.

(g) Have the authority, without the obligation so to do, to discharge by payment, if necessary, any lien against the Residential Common Areas (including without limitation any general and/or special real property taxes and assessments which are or could become liens upon such area)

and assess such costs and fees to the Member or Members responsible for the existence of said lien. Any such general and special real property tax and/or assessment may be contested or compromised by the Association, provided that it is paid or a bond insuring the payment is posted prior to the conveyance or other disposition of any property to satisfy its payment.

(h) Have the authority to make, establish, promulgate, adopt, amend and repeal reasonable rules not inconsistent with this Declaration relating to the use and occupancy of the Residential Common Areas, the Master Common Area, and for all other property located with the Community, and all facilities thereon, for the conduct of Owners, their families, lessees, guests and invitees with respect to the Community and other Owners. A copy of the Association Rules, from time to time adopted, amended or repealed, may be mailed, posted on the bulletin board, or otherwise delivered to each Owner, or recorded. Upon such mailing, posting, delivery or recordation, the Association Rules shall have the same force and effect as if they were set forth in and made a part of this Declaration. In addition, as to any Owner having actual knowledge of any given Association Rules, such Association Rules shall have the same force and effect and may be enforced against such Owner.

(i) With the recommendation of the Architectural Control Committee, construct new improvements or additions to the Residential Common Areas and/or the Master Common Area or demolish existing improvements thereon; provided that, in the case of any improvements, addition or demolition (other than maintenance or repairs to existing improvements) requiring a special assessment or approval of the membership of the Association as provided in Section 9.01(b) above, the Association shall first comply with all other provisions of this Declaration, including but not limited to the provisions for levying such special assessment, and approval of the membership as provided in Section 9.01(b) above.

(j) The Board shall maintain accounts into which shall be deposited all monies paid to or received by the Association (other than funds paid to or received by the Association and specifically earmarked for other purposes) and from which disbursements shall be made in performing the functions of the Association under the Community Restrictions. Funds of the Association must be used solely for the purposes related to those areas, improvements and properties owned by the Association or subjected by this Declaration to maintenance and/or assessment by the Association, or for purposes authorized by this Declaration.

(k) Maintain the books and records of the Association and all operating and reserve accounts pertaining

thereto, including without limitation, preparation of the budgets and financial statements described in Section 9.05 below, and shall review the following:

(m) Have the power to accept and exercise jurisdiction over all real property and interests conveyed or leased to the Association, including without limitation, the Master Common Area and easements for operation, maintenance and access purposes over the Residential Condominium Projects.

(n) Have the power to accept and exercise jurisdiction over all personal property of the Association.

(o) Have the power to convey, upon any dissolution of the Association, the assets of the Association to an appropriate public agency or agencies to be used for purposes similar to those for which the Association was created, or to a nonprofit corporation, association, trust or other organization organized and operated for such similar purposes.

(p) Have the power to operate and maintain all Private Street Areas, Recreational Areas, and Vehicle Storage Areas and to keep all improvements thereon in good order and repair.

(q) Have the power to retain and pay for legal and accounting services necessary or proper in the

operation of the Association, the operation of property held, administered and/or maintained by the Association, enforcement of the Community Restrictions or in performing any of the other duties or rights of the Association.

(r) Have the power to establish, maintain and operate any bus, vehicle, or other shuttle service or transportation system deemed advisable by the Board, including without limitation, transportation within the Community to neighborhood commercial or shopping areas.

(s) Carry out all of the duties and have all of the authority and rights provided for herein and in the Community Documents.

(t) Enforce all applicable provisions of the Declaration, Bylaws, Community Restrictions and other instruments for the ownership, management and control of the Community.

(u) Charge reasonable admission and other fees for the use of any recreational facility situated upon the Recreational Areas.

(v) Dedicate or transfer all or any part of its interest in and to the Master Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Board.

(w) Allow the general public, or certain portions thereof, to use any recreational facility situated upon the Property and, in the discretion of the Board, to charge admission fees therefor.

9.03 Delegation of Duties by Association. The Association may delegate any of its duties, powers or functions to any person, corporation or firm to act as Manager. Neither the Association nor the members of its Board shall be liable for any omission or improper exercise by the Manager of any such duty, power or function so delegated.

9.04 Right of Entry. The Association shall have the right to enter, without being liable to any Owner, occupant or tenant, upon or in any Condominium, including without limitation, the Unit and the Restricted Residential Common Areas and upon any other Residential Common Areas, without notice in the event of any emergency where the property or lives of others are in danger, and otherwise (i) after twenty-four (24) hours prior written notice, for the purpose of enforcing by peaceful means the Community Restrictions; (ii) after thirty (30) days prior written notice for the purpose of performing the maintenance and repair of any area within the Community if for any reason

whatsoever the Owner owning or controlling same fails to maintain or repair any such areas as required by the Community Restrictions; and (iii) after thirty (30) days prior written notice, for any other purpose reasonably related to the performance by the Association of its responsibilities under this Declaration.

9.05 Budget and Financial Statements. The Board shall cause budgets and financial statements for the Association to be regularly prepared, and copies shall be distributed to each Member of the Association as follows or as determined by applicable State Law:

(a) A pro forma operating statement (budget) for each Association fiscal year shall be distributed not less than forty-five (45) days nor more than sixty (60) days before the beginning of the fiscal year. The budget shall include all of the following:

87-667673

(iv) Any information required to be reported under Section 8322 of the California Corporations Code concerning indemnifications and transactions with interested persons.

(c) The annual report referred to in Section 9.05(b) above, and a review of the Association's financial statements shall be prepared in accordance with generally accepted accounting principles by a licensee of the California State Board of Accountancy for any fiscal year in which the gross income to the Association exceeds SEVENTY-FIVE THOUSAND DOLLARS (\$75,000.00), and a copy of said review shall be distributed to each member within one hundred twenty (120) days of the close of each fiscal year.

(d) If the report referred to in Section 9.05(b) above, is not prepared by a licensee, it shall be accompanied by the certificate of an authorized officer of the Association that the statements were prepared without audit or review from the books and records of the Association.

(e) A statement as to the Association's policies and practices in enforcing the lien rights or other legal remedies for the default in the payment of its assessments against its Members shall be annually delivered to the members within sixty (60) days prior to the beginning of each fiscal year.

9.06 Easements. The Association is authorized and empowered to grant such licenses, easements and rights of way for sewer lines, water lines, electric lines, gas lines, underground conduits, telephone or cable television lines, storm drains and other utility purposes, and roads, streets, walks, driveways, access ways, parkways, and park areas, water systems, sprinkler systems and similar improvements or facilities as may be necessary and appropriate for the orderly maintenance, preservation and enjoyment of the Units, the Residential Common Areas and/or Master Common Area and/or for the preservation of the health, safety, convenience and welfare of the Owners, over, under, across and through those portions of the Residential Common Areas and/or Master Common Area upon which no building or other structure has been erected. Such licenses, easements and rights of way may be granted at any time prior to twenty-one (21) years after the death of the individuals who have signed this Declaration and their issue who are in being as of the date hereof, the right to grant such licenses, easements and rights of way is hereby expressly reserved in favor of the Association and/or to the others, as herein contemplated; and the Owners, upon request of the Association, shall take such actions (without being required to expend monies in connection therewith) and execute such instruments as may be reasonably necessary to implement and perfect the purposes of this Section 9.06.

87-667673

9.07 Performance of Owner's Obligations by Association. If any Owner shall fail to perform any maintenance type of obligation for which he is responsible hereunder or under the Community Restrictions or if any Owner shall fail to make the repairs or replacements which are his responsibility hereunder or under the Community Restrictions, then upon a vote of a majority of the Board, and after not less than thirty (30) days' notice to the Owner, the Association shall have the right (but not the obligation) to enter the Unit of such Owner and/or any Restricted Residential Common Area appurtenant thereto and undertake any such maintenance work and/or make such repairs or replacements, and the costs thereof shall be added to the assessments chargeable to such Condominium and shall be payable to the Association by such Owner in accordance with Section 10.12 below.

9.08 Liability of Board members, Manager and Committee Members. No member of the Board, the Architectural Control Committee or any other Committee appointed by the Board, the Manager nor any officer of the Association shall be personally liable to any Owner, or any other party, for damage, loss or prejudice suffered or claimed on account of any act or omission of the Association, the Board, the Architectural Control Committee, the Manager, or any of the representatives or employees of any of the foregoing, provided that such Board member, Architectural Control Committee member, other Committee member, or the Manager has, upon the basis of such information as may be possessed by him, acted in good faith.

ARTICLE X

COVENANT FOR ASSESSMENT

10.01 Creation of the Lien and Personal Liability. Each Owner of any Condominium within the Community by acceptance of a deed to or recorded contract of sale therefor, whether or not it shall be so expressed in such instrument, is deemed to covenant and agree to pay to the Association:

(a) Regular Assessments or charges;

(b) (i) Special Assessments for the purpose of defraying, in whole or in part, the cost of capital improvements to be made by the Association as herein provided, and/or for the purpose of defraying special common expenses other than for capital improvements and/or for the purpose of defraying the costs of any other action or undertaking on behalf of the Association, the funding for which is not otherwise provided for herein, and/or for the purposes set forth in Sections 8.04 and 10.01(b)(ii) below, all subject to the provisions of Section 10.04 of this Article X;

(ii) In the event the Board shall determine that the estimate of total regular assessments for the current year is or will become inadequate to meet all Common Expenses for such current year for any reason, it shall then immediately determine the approximate amount of such inadequacy and shall issue a supplemental estimate of the Common Expenses and shall determine the amount of additional assessment revenue required for the current year, and shall thereupon levy a special (supplemental) assessment against each Condominium and the Owners thereof, which special (supplemental) assessments shall set forth the date or dates when due; provided that the levy of any such special (supplemental) assessment shall be subject to the provisions of Section 10.04 below; and

(c) Reconstruction Assessments levied against each Owner and his Condominium by the Board in accordance with the provisions of Article XIII hereof, for the purpose of defraying the expense of the Association of reconstructing all or any portion of damaged or destroyed improvements located within the Residential Common Areas and/or Master Common Areas (to the extent costs of such restoration are not covered by insurance).

All such assessments to be fixed, established and collected from time to time as herein provided.

All assessments, together with interest thereon, cost of collection thereof, late charges which may be imposed by the Association, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien, with power of sale, upon the Condominium against which each such assessment is made. The lien shall become effective upon recordation of a Notice of Claim of Lien in accordance with Section 10.08 of this Declaration. Each such assessment, together with such interest, late charges and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Condominium at the time when the assessment fell due, and shall bind the heirs, devisees, personal representatives, successors and assigns of such Owner; provided, however, that the personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them (it being understood that subject to the provisions of Article XII below, the lien effected against a Condominium by recordation of a Notice of Claim of Lien shall remain in full force and effect following any conveyance or transfer of the said Condominium).

10.02 Purpose of Assessments - Generally. The assessments levied by the Association shall be collected, accumulated and used exclusively to promote the recreation, health, safety, and welfare of the Members of the Association, including without limitation, use for the improvement and maintenance of the Residential Common Areas, the Master

87-667673

Common Area, any common facilities or improvements thereon and the administration of the Community for the common good of the Owners.

10.03 Regular Assessments.

(a) The Regular Assessments levied by the Association shall be collected, accumulated and used generally for the maintenance and operation of the Residential Common Areas, the Master Common Area and any improvements located thereon, the administration of the Community and the Association, the establishment of reserves as contemplated herein, and for such other purposes as may be from time to time reasonably determined by the Board, subject to such limitations as may be set forth in the Community Documents.

(b) The amount of Regular Assessments shall be as determined by the Board annually in accordance with the provisions of Section 10.07 hereof on a calendar year basis after giving due consideration to all relevant facts, including but not limited to current maintenance and operating costs, anticipated future needs of the Association, and the need for contingency and maintenance reserves.

(c) Notwithstanding the foregoing provisions of this Section 10.03, the Board may not, without the vote or written assent of a majority of the voting power of the Members in the Association, impose a regular annual assessment per Condominium which is more than ten percent (10%) greater than the regular annual assessment per Condominium for the immediately preceding fiscal year. Notwithstanding anything to the contrary in this Section 10.03(c), the limitation on the increases applicable to regular assessments in this Section 10.03(c) shall not limit assessment increases for (i) the maintenance or repair of the Residential Common Areas and/or the Master Common Area which the Association is obligated to maintain or repair, including without limitation, the payment of insurance premiums, the payment of utility bills, the costs incurred in maintaining or repairing structures or improvements and funding Association reserves; or (ii) addressing emergency situations. Notwithstanding the foregoing, restoration of any portion of improvements on the Property shall be governed by the provisions of Article XIII below, including without limitation, the provisions in said Article XIII dealing with Reconstruction Assessments.

10.04 Special Assessments. In addition to the Regular Assessments authorized above, the Board may levy, in any assessment year, Special Assessments for any of the purposes contemplated in Section 10.01(b) above; provided that, any such assessments exceeding five percent (5%) in the aggregate of the budgeted gross expenses of the Association for the assessment year in question shall require the approval by vote or written assent of a majority of the voting

87-667673

power of the Members in the Association, and expenditures for capital improvements shall be subject to the limitations of Section 9.01(b) above. Written notice of the amount of any Special Assessment shall be sent to every Owner, the due date for payment of same shall be set forth in such notice, and to the extent reasonably appropriate, each Special Assessment shall be levied upon the same basis as that prescribed for the levying of Regular Assessments. The above provisions with respect to Special Assessments do not apply in the case where individual extraordinary charges are levied against an Owner for any of the purposes described in Section 10.12 below (including without limitation where the individual extraordinary charge against an Owner is used by the Board as a remedy to reimburse the Association for the costs incurred in bringing the Member and/or his Condominium into compliance with the provisions of the Restrictions). Notwithstanding anything to the contrary in this Section 10.04, the limitation on the increases applicable to special assessments in this Section 10.04 shall not limit assessment increases for (i) the maintenance or repair of the Residential Common Areas and/or Master Common Area which the Association is obligated to maintain or repair, including without limitation, the payment of insurance premiums, the payment of utility bills, the costs incurred in maintaining or repairing structures or improvements and funding Association reserves; or (ii) addressing emergency situations. Notwithstanding the foregoing, restoration of any portion of the improvements on the Property shall be governed by the provisions of Article XIII below, including without limitation, the provisions in said Article XIII dealing with Reconstruction Assessments.

10.05 Uniform Rate of Assessment. Except as otherwise provided in Section 10.04 above, Regular Assessments and Special Assessments must be fixed at a uniform rate for all Condominiums then subject to assessment by the Association; thus each Condominium (and the Owners thereof) subject to assessment by the Association at the time any of the foregoing types of assessments are levied shall be liable to the extent herein provided for that proportion of the overall assessment levied as the number one (1) bears to the total number of Condominiums then subject to assessment by the Association.

10.06 Due Dates of Assessments.

(a) The Regular Assessments provided for herein have heretofore commenced as to all Condominiums located within the Community.

(b) The Regular Assessments as to any Condominiums located within areas hereafter annexed pursuant to the annexation provisions of this Declaration shall commence as to all Condominiums located within the area so annexed on the date of closing of the first conveyance of a Condominium

within the area so annexed to a purchaser thereof.

(c) Regular Assessments shall be levied on a calendar year basis. All Regular Assessments shall be due and payable in monthly installments, in advance, on the first day of each and every month, or in such other manner and at such other times as the Board may from time to time establish.

(d) The due date of any individual Extraordinary Assessment referred to in Section 10.12 hereof shall be fixed in the resolution authorizing such assessment and shall be set forth in the Notice of Assessment given to the Member liable therefor.

10.07 Duties of the Board as to Assessments. The Board of the Association shall fix the amount of the Regular Assessment against each Condominium on an annual basis for each calendar year at least thirty (30) days in advance of the commencement of such period and shall, at that time, prepare a roster of the Condominiums within the Community, and all types of assessments applicable thereto, which shall be kept in such place as may be from time to time designated by the Board, provided that same shall be open to inspection by any Owner during normal business hours.

Written notice of the Regular Assessments shall be sent to every Owner on an annual basis at least thirty (30) days in advance of the commencement of the applicable calendar year, and such notice shall specify when installment payments shall be due and payable. Nothing to the contrary herein withstanding, if the Regular Assessment is not made as required for any calendar year, then the Regular Assessment for the last prior calendar year shall be deemed automatically assessed against the Owners of each Condominium then subject to assessment, and installment payments based on such amount shall be payable on the regular payment dates until changed by new or supplementary assessment.

Upon demand, the Association shall furnish to any Owner and/or Mortgagee whose Condominium is liable for any Regular, Special, Reconstruction and/or Extraordinary Assessments, a certificate in writing signed by an officer of the Association setting forth the nature and extent of such assessments, the due dates thereof, and whether or not any delinquency exists. Such certificates shall be conclusive evidence of payment of any assessments or portion thereof therein stated to have been paid. A reasonable charge may be made by the Board for the issuance of any such certificate.

10.08 Effect of Nonpayment of Assessments: Delinquency and Remedies of the Association.

(a) If any assessment, Regular, Special or

Reconstruction, or any portion thereof, is not paid on the date when due, then such assessment or portion thereof not paid when due shall be deemed delinquent and shall, together with interest and costs of collection reasonably incurred, including but not limited to reasonable attorneys' fees as provided for below, become a continuing lien on the condominium against which such assessment was made when such lien is perfected by the recordation of a "Notice of Claim of Lien" against the Owner's fee interest in such Condominium in the manner provided for in Section 10.08(b) below. Upon recordation of a Notice of Claim of Lien against a Condominium, such lien shall constitute a lien on the Condominium prior and superior to all other monetary liens on the Owner's fee interest except (i) all taxes, bonds, assessments and other levies which, by law, would be superior thereto, and (ii) the lien or charge of any first mortgage of record made in good faith and for value.

(b) With respect to each assessment not paid within fifteen (15) days after its due date, the Association may, at its election, require the Owner to pay a "late charge" not to exceed the greater of TEN DOLLARS (\$10.00) or ten percent (10%) of such delinquent assessments. No charge shall be imposed more than once for the delinquency provided, however, the imposition of a late charge on any delinquent payment shall not eliminate or supersede charges imposed on prior delinquent payments.

(c) In addition to the late charge which may be imposed on delinquent assessments pursuant to Section 10.08(b) above, the Association may charge interest on the amount of such delinquent assessments, which interest shall accrue from month to month on the outstanding balance (including any late charges previously assessed and unpaid costs of collection) commencing thirty (30) days after such assessment became due until payment thereof at an interest rate not to exceed twelve percent (12%) per annum or as allowed by applicable law.

(d) In addition to all other legal and equitable rights or remedies, the Association may, at its option, bring an action at law against the Owner personally obligated to pay the assessment and all charges relating thereto (and such action may be brought without foreclosing or waiving any lien securing such amount); or, upon compliance with the notice provisions set forth in Section 10.08(e) below, the Association may foreclose the lien against the Unit, and there shall be added to the amount of such assessment or any portion thereof, the interest thereon and all costs and expenses, including but not limited to reasonable attorneys' fees incurred by the Association in collecting the delinquent assessment. In lieu of judicially foreclosing the lien, the Association, at its option, may foreclose such lien by proceeding under a power of sale as provided for in

87-667673

Section 10.08(f) below, such power of sale being given to the Association as to each and every Unit for the purpose of collecting delinquent assessments. Each Owner vests in the Association, its successors or assigns, the right and power to bring all actions at law or of lien foreclosure against such Owner or other Owners for purposes of collecting delinquent assessments.

(e) No action shall be brought to foreclose the lien, or to proceed under the power of sale, until at least thirty (30) days after a Notice of Claim of Lien, executed by a duly authorized representative of the Association, has been recorded with the County Recorder for the county in which the Property is located, said Notice setting forth the amount claimed (which may include late payment charges as provided for above, expenses of collection, including reasonable attorneys' fees, and accrued interest), a good and sufficient legal description of the Condominium being assessed, the name of the record owner or reputed owner thereof, and the name and address of the Association as claimant, and the name of the trustee authorized by the Association to conduct any nonjudicial foreclosure sale to recover such claims. A copy of said Notice of Claim of Lien shall be deposited in the United States mail, certified or registered, and postage prepaid, addressed to the Owner of the Condominium using the address of the said Condominium or using such other address as may have been previously given in writing to the Association by such Owner.

(f) Any such sale provided for above shall be conducted in accordance with the provisions of Sections 2924-2924(h) of the Civil Code of the State of California, applicable to the exercise of powers of sale in mortgages and deeds of trust, or in any other manner permitted or provided by law. The Association, through its duly authorized agents, shall have the power to bid on the Condominium at the foreclosure sale, and to acquire and hold, lease, mortgage and convey the same.

(g) Upon the timely curing of any default for which a Notice of Claim of Lien under Section 10.08(e) of this Declaration was recorded by the Association, the officers of the Association are hereby authorized to record an appropriate release of such notice, upon payment by the defaulting Owner of a reasonable fee to be determined by the Association to cover the cost of preparing and recording such release together with the payment of such other costs, late payment charges, interest or fees as shall have been incurred, including without limitation, attorneys' fees.

(h) The assessment lien and the rights to foreclosure and sale thereunder shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have hereunder or by law.

10.09 Assignment of Leases. In addition to the lien rights set forth in this Article X, and subject to the rights of any Mortgagee, the Owners hereby assign to the Association all of each respective Owner's right, title and interest in, to and under any leases, rents, profits and proceeds on, from or relating to such Owner's Condominium, now existing or which may be executed at any time in the future, and all amendments, extensions and renewals of such leases as additional security for the payment of assessments pursuant to this Article X. In the event any Owner fails to pay any assessment as provided for herein when the same becomes due, the Association may, in addition to the other remedies set forth in this Article X, either in person or by its agent, with or without bringing any action or proceeding or having a receiver appointed by a court, without regard to the adequacy for security for the payment of such assessments, without notice or demand upon such Owner, and at such Owner's sole costs and expenses (i) receive all rents, income, liabilities, and other amounts arising or accruing under any of said leases or from such Owner's Condominium; (ii) collect, sue for, settle, compromise and give acquittances or releases for all of the rents, and other payments that may become due under said leases and pursue all remedies for enforcement of said leases and such Owner's rights in and under said leases as such Owner might have pursued but for this Assignment; and (iii) take possession of the Condominium and have, hold, manage, lease and operate the same on such terms and for such period of time as the Association may deem proper and, either with or without taking possession of such Condominium, in its own name, make, from time to time, all alterations, renovations, repairs or replacements thereto as may be deemed proper to the Association.

10.10 Nonuse and Abandonment. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Residential Common Area, the Master Common Area or abandonment of his Condominium.

10.11 Waiver of Exemptions. Each Owner, to the extent permitted by law, waives, to the extent of any liens created for assessments pursuant to this Article X, the benefit of any homestead or exemption laws of California in effect at the time any assessment or installment becomes delinquent or any lien is imposed.

10.12 Extraordinary Charges. Each Owner of any Condominium within the Community by acceptance of a deed or recorded contract of sale therefor, whether or not it shall be so expressed in such instrument, is deemed to covenant and agree to pay to the Association, the following:

(a) Charges levied against individual Condominium Owners by the Board in accordance with Section 4.21

87-667673

and the Bylaws:

(b) Charges required to pay for or reimburse the Association for extra costs for maintenance and repairs caused by the willful or negligent act of the individual Owner, his or her family, guests, tenants, lessees and/or invitees and not caused by ordinary wear and tear; and/or

(c) Charges levied by the Board to pay for or reimburse the Association for costs incurred in bringing any Owner of his Condominium into compliance with the provisions of the Restrictions.

Each such charge shall be the personal obligation of the person(s) who was the Owner of such Condominium at the time the charge arose and shall bind his heirs, devisees, personal representatives and assigns, provided however, that the personal obligation for the delinquent charge shall not pass to the Owner's successor in title unless expressly assumed by them, and provided further, that unlike the Regular, Special or Reconstruction Assessments, the above-described charges shall not become a lien against the Owner's Condominium which is enforceable by a sale of the interest pursuant to Sections 2924, 2924(b) or 2924(c) of the California Civil Code. The basis and due date for such charge and Owner(s) responsibility for same shall be fixed by resolution of the Board. Written notice of the charge shall be delivered to the responsible Owner(s). An extraordinary charge not paid when due shall be subject to the same late charge and payment of interest as provided for delinquent assessments pursuant to Section 10.08 above. An extraordinary charge, together with late charges, interest thereon and costs of collection including without limitation reasonable attorneys' fees, may be fixed and established by the Board from time to time as herein provided and may be enforced by judgment of a court of competent jurisdiction.

(a) All improvements or alterations to existing Units, the Residential Common Area and/or Master Common Area shall require the review and approval of the Architectural Control Committee in accordance with this Article XI (except as provided in Section 4.16). For the purpose of this Section 11.01(b), the term "exterior" shall mean any outside walls, outward surfaces, roofs, outside doors, or other outside structures of said building or improvements.

(c) Except as provided in Section 11.01(d) below, no person shall commence, erect, install, alter, paint or maintain any buildings, fences, obstructions, patios, patio covers, tents, carports, carport covers, jacuzzis, hot tubs, spas, improvements, walkways, slabs, sidewalks, curbs, gutters, porches, driveways, lighting, decorations, aerials, antennae, radio or television broadcasting or receiving devices, or other structures of any kind within the Residential Common Area and/or Master Common Area.

(d) No person shall perform any of the prohibited acts specifically described in Sections 11.01(a), (b) and (c) above until the complete plans and specifications showing the nature, type, shape, color, size, materials and locations of such improvements, alterations, etc., shall have been submitted to and approved in writing by the Architectural Control Committee; in making its determination, the Architectural Control Committee shall consider, inter alia, the factors described in Section 11.04 below.

11.02 Architectural Control Committee. The Architectural Control Committee's initial address is:

Architectural Control Committee
Huntington Landmark Senior Adult Community
20880 Oakridge Lane
Huntington Beach, California 92646

Such address may be changed from time to time by recording in Orange County an instrument referencing the Property and this Declaration and setting forth the new address, or by

87-667673

giving notice of such new address to all Owners within the Property.

The procedures for appointment and replacement of members of the Architectural Control Committee shall be as follows:

(a) The Architectural Control Committee shall consist of three (3) persons, to include those persons who were serving as of the Effective Date hereof on the Architectural Control Committee provided for in Article VIII of the Master Declaration.

(b) The Board shall have the power to appoint all of the members of the Architectural Control Committee, including the filling of any vacancy or vacancies so as to bring the total number of persons appointed to the Architectural Control Committee to three (3). Members appointed to the Architectural Control Committee by the Board shall be from the membership of the Association. Each member of the Architectural Control Committee shall hold office until such time as he has resigned or has been removed by the Members or his successor has been appointed. Members of the Architectural Control Committee may be removed by the Board at any time without cause.

11.03 Certain Procedures of Architectural Control Committee. In the event any member is unable to or unwilling to serve on said Architectural Control Committee, the remaining members, which in no event shall be less than two (2) persons, shall have authority to approve or disapprove such proposed alteration, modification, addition, deletion, or other proposed form of change. The membership of said committee or any representative appointed thereby if other than as stated in this Declaration, shall be evidenced by a certificate of identity, which shall be executed by at least one member of said committee or by an authorized officer of the Association, as appropriate; which certificate shall then be conclusive evidence thereof in favor of any person relying thereon in good faith.

11.04 Review of Proposed Construction. The Architectural Control Committee shall consider and act upon any and all proposal or plans and specifications submitted for its approval pursuant to this Article XI, and perform such other duties as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with plans approved by the Architectural Control Committee. The Architectural Control Committee shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated, will not be detrimental to the appearance of the surrounding areas or the Community as a

whole, that the appearance of any structure affected hereby will be in harmony with the surrounding structures, and that the upkeep and maintenance thereof will not become burdensome. The Architectural Control Committee may condition its approval of proposals or plans and specifications on such changes therein as it deems appropriate, upon the agreement by the Owner submitting the same to grant appropriate easements to the Association, for the maintenance thereof, if applicable, or to reimburse the Association for the cost of maintenance, if applicable, or any thereof, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Architectural Control Committee may, subject to the provisions of Section 11.12, issue rules or guidelines setting forth procedures for the submission of plans for approval, requiring a fee to accompany each application for approval, or additional factors which it will take into consideration in reviewing submissions. The Architectural Control Committee may provide that the amount of such fee shall be uniform, or that it be determined in any other reasonable manner, such as by the reasonable cost of the construction, alterations or additions contemplated. The Architectural Control Committee may require such detail in plans and specifications submitted for its review as it deems proper, including without limitation, floor plans, site plans, drainage plans, elevation drawings and description or samples of exterior material and colors. Until receipt by the Architectural Control Committee of any required plans and specifications, the Committee may postpone review of any plan submitted for approval. In the event the Architectural Control Committee fails to approve or disapprove such proposed alteration, modification, addition, deletion or other proposed form of change within forty-five (45) days after said complete plans and specifications have been submitted to it, such approval will be deemed to have been given and the provisions of this Declaration requiring any such approval shall be deemed to have been complied with. Such complete plans and specifications shall be personally delivered to the Huntington Landmark management office for the attention of the Architectural Control Committee. The plans and specifications shall be deemed submitted to the Architectural Control Committee upon the date of receipt by the management office of such plans and specifications.

11.05 Appeal of Decision of Architectural Control Committee. Any Owner may appeal to the Board any adverse decision or action of the Architectural Control Committee with respect to alterations and additions requested by such Owner to be made to such Owner's Unit or Restricted Residential Common Area appurtenant thereto, provided that such Owner first complies with the procedures set forth in this Article XI and the Architectural Control Committee Rules regarding obtaining such approvals. Any such appeal shall be in writing and delivered to the Board within thirty (30) days

following the Owner's receipt of notice of the decision or action of the Architectural Control Committee to be appealed. The Board shall provide an opportunity for such Owner to be heard before the Board, in person, in writing, or by counsel, at such Owner's expense, within thirty (30) days following receipt of such appeal and shall render a determination with respect to such appeal within thirty (30) days following such hearing. The Board may promulgate additional rules and regulations consistent with this Section 11.05 regarding the procedure for Owners to file such appeals with the Board. Any decision of the Board following a hearing pursuant to this Section 11.05 shall be final and no further appeals shall be permitted with respect thereto.

11.06 Completion and Inspection. Completion of work and inspection thereof and correction of defects therein shall proceed as follows:

(a) Unless otherwise provided by the Architectural Control Committee, all work must be commenced within ninety (90) days following the date of Architectural Committee approval and shall be completed within ninety (90) days following commencement thereof. If such work is not commenced and completed within said time periods, the approval of the Architectural Control Committee shall be automatically withdrawn and a new application for approval must be submitted. All work shall be performed in a manner consistent with the standards of the general Condominium Building and Unit construction and appearance of the Community. Any work considered to be of an unsightly finished nature or of a lesser quality than that prevailing in the Community will be required to be touched up or reworked to an acceptable appearance.

(b) Upon the completion of any work for which approved plans are required under this Article XI, the Owner shall give written notice of completion to the Architectural Control Committee.

(c) Within sixty (60) days after its receipt of such notice of completion, the Architectural Control Committee or its duly authorized representative may inspect such improvement. If the Architectural Control Committee finds that such work was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of such non-compliance within such sixty (60) day period, specifying the particulars of non-compliance, and shall require the Owner to remedy the same.

(d) If upon the expiration of thirty (30) days from the date of such notification the Owner shall have failed to remedy such non-compliance, the Architectural Control Committee shall notify the Board in writing of such failure. Upon notice and a hearing as described in the

Bylaws, the Board shall determine whether there is a non-compliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a non-compliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board ruling. If the Owner does not comply with the Board ruling within such period, the Board, at its option, may either remove the non-complying improvement or remedy the non-compliance, and the Owner shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. If such expenses are not promptly repaid to the Association by the Owner, the Board shall levy an assessment against such Owner for reimbursement pursuant to Section 10.04 above, and the lien procedure provided for therein shall be available to the Association.

(e) If for any reason the Architectural Control Committee fails to notify the Owner of any non-compliance within sixty (60) days after receipt of said written notice of completion from the Owner, the improvement shall be deemed to be in accordance with said approved plans.

11.07 Entry. In addition to other rights of entry provided for elsewhere herein, the Association and the Architectural Control Committee, or any person authorized by either, shall be further empowered with the right and duty to periodically inspect all Units and any and all Restricted Residential Common Areas in order to insure that each Owner is completely and adequately fulfilling all of those duties and obligations on his part to be performed as provided for herein. In each instance, the Owner shall be given reasonable advance notice of the entry to be undertaken.

11.08 Architectural Control Committee Standards. Unless otherwise provided in the Architectural Control Committee Rules promulgated from time to time, the following Architectural Control Standards ("Standards") shall apply:

(a) Fences. Any modification in fence height or color must be submitted to the Architectural Control Committee for approval. Addition of any material such as aluminum or sheet material, wire mesh, plastic webbing, corrugated metal or fiberglass to the exterior or open fence areas is prohibited. Matching wood is acceptable provided it matches existing fences and wood in material and color.

(b) Patio Structures, Sunshades, Arbors or Trellises. Structures of this kind must conform to the original architectural character of the existing Unit. Details for construction shall be available to Owners upon request. Structures or other appurtenances installed pursuant to this Section 11.08(b) shall conform to any restrictions by the City of Huntington Beach and/or the County of Orange.

87-667673

(c) Awnings. Retractable canvas awnings of the type currently existing in the Community and adopted as standard shall generally be approved.

(d) Roof Enclosures (Patio). Roof enclosures of any kind must conform to the standards adopted and shall be approved by the Building and Safety Department to conform to code.

(e) "Bubble" Skylights. Bubble skylights in all Units shall be aesthetically placed and shall conform structurally and of dimensions now in use. Material shall be of heavy plastic, one-eighth (1/8) inch thick, and be either white opaque or smoke to match others that may be in existing or adjoining Condominium Buildings or Units. In the event a solar energy type skylight is desired, as provided for in California Civil Code Section 714, complete details and specifications shall be submitted for approval by the Architectural Control Committee.

(f) Windows. All windows shall have a metal frame, equipped with wood trimming around the metal frames, with the texture and color to match the building trim.

(g) Screen Doors. Screen doors must be compatible with those presently installed and in accordance with the standards adopted. Acceptable colors shall be black, dark bronze or gold.

(h) Gutters. All installation of gutters and downspouts for Units and/or garages must be approved by the Architectural Control Committee. Gutters and downspouts must be painted to match fascia, trim or stucco, at points of attachment. Gutters may be installed on garages only when the entire front side of the garage building is to be so provided.

(i) Unacceptable or Restricted Additions. The following additions will generally not be approved by the Architectural Control Committee: (1) outside antennas; (2) permanently affixed flag poles; (3) signs other than "For Sale" or "For Rent" signs placed in window(s) and not exceeding eighteen inches (18") by twenty-four inches (24") in size; (4) electrical light fixtures and fans on patio and decks visible from other Units; (5) outdoor lighting, other than that provided with a Unit at entrance and in patio (decks) (6) flashing, glaring or revolving lights (Christmas lighting in season is permitted, provided standard lighting as normally furnished with the strand is used and such lighting is removed from structures and landscape at season's end); and (7) decorations or exposed shelving, cabinets, or athletic equipment of any kind.

The foregoing standards are provided for guidance and information and are subject to change by the Architectural Control Committee. The listing of the foregoing standards herein or the listing of any standards in any of the Architectural Control Committee Rules shall not be deemed approval by the Architectural Control Committee of any improvements or additions conforming to such changes and all improvements and additions shall require individual Architectural Control Committee approval pursuant to this Article XI. Any condition or material not defined within the foregoing standards or any standards promulgated by the Architectural Control Committee shall be evaluated in the sole discretion and judgment of the Architectural Control Committee, subject to appeal to the Board pursuant to Section 11.05 above.

11.09 Enforcement by Owners. Any Owner within the Community may by appropriate legal action enforce remedies for violations of this Article XI in the event that the Association fails to take remedial action within a reasonable period of time after knowledge by the Association of the particular violation.

11.10 No Waiver. The approval of the Architectural Control Committee to any proposals or plans and specifications or drawings for work done or proposed or in connection with any other matter requiring the approval and consent of the Architectural Control Committee shall not be deemed to constitute a waiver of any right to withhold approval and consent as to any similar proposals, plans and specifications, drawings or any other matter which is subsequently or additionally submitted for approval or consent.

11.11 No Liability; Basis for Review. Neither the Architectural Control Committee nor any member thereof shall be liable in damages or otherwise to the Association or to anyone submitting plans and specifications for approval or to any Owner or any other person or entity for any loss, damage or injury arising out of or in any way connected with the performance of the Architectural Control Committee's duties hereunder, unless due to the willful misconduct or bad faith of the Architectural Control Committee and/or any individual member thereof (in which event only those persons actually guilty of misconduct and/or bad faith shall be liable). The Architectural Control Committee shall review and approve or disapprove all plans submitted to it for any proposed improvement, alteration or addition, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the surrounding areas and the Community. The Architectural Control Committee shall take into consideration the aesthetic aspects of the architectural design, placement of buildings and Units, landscaping, color schemes, exterior finishes and materials, harmony of external design with existing structures, location in relation to surrounding structures, topography and finished grade ele-

vation, and similar features, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety or conformance with building or other codes.

11.12 Rules and Regulations. The Architectural Control Committee may from time to time, as approved by the Board, adopt, amend and repeal Architectural Control Committee Rules interpreting and implementing the provisions hereof.

11.13 Compensation of Members. The members of the Architectural Control Committee shall receive no compensation for services rendered, other than reimbursement for reasonable expenses incurred by them in the performance of their duties hereunder, unless any such compensation arrangement has been approved by vote or written assent of a majority of the Members of the Association.

11.14 Protection of Mortgages and Bona Fide Purchasers. Notwithstanding anything to the contrary in this Article XI, in the event an Owner fails to obtain the consent of the Architectural Control Committee to any alteration, improvement or other act described in this Article XI, or any Owner otherwise fails to comply with the provisions of this Article XI with respect to such Owner's Condominium, the Association and the Architectural Control Committee shall retain all of these rights hereunder as against such Owner with respect to such improvement, but such rights shall not be enforceable as against any Mortgagee or bona fide purchaser for value from such Owner without notice of such violation from and after one (1) year following the completion of such improvement by such Owner, unless the Architectural Control Committee or the Association shall have caused a notice of such violation to be recorded in the Official Records of Orange County, California, within said one (1) year period (which notice shall, inter alia, give the legal description of the Condominium owned by the violating Owner or otherwise involved in the violation, and a description of the nature of the violation).

11.15 Effect*of Applicable Law. The provisions in this Article XI and any Architectural Control Committee Rules from time to time promulgated or amended by the Architectural Control Committee shall not be construed to repeal, amend modify, or otherwise impair any existing ordinances or codes enacted by any governmental agency having jurisdiction over the Community. In the event of conflict between the specifications of these standards and ordinances or codes legally adopted by governmental agencies or the Architectural Control Committee, the more restrictive shall apply to the extent permitted by applicable law. Approval of any alteration or addition by the Architectural Control Committee does not

waive the necessity of obtaining any required City or County permits and the obtaining of such permits does not waive the need for Architectural Control Committee approval.

11.16 Association Exempt. Nothing to the contrary in this Declaration withstanding, the Association shall be exempt from the provisions of this Article XI and shall not be subject to the approval of the Architectural Control Committee with respect to any alterations or improvements to be constructed by, under or at the direction of the Association. The Association shall consult with and consider the recommendations of the Architectural Control Committee regarding improvements and additions of a substantial nature, but such recommendations shall not be binding on the Association.

ARTICLE XII

MORTGAGE PROTECTION

Notwithstanding any other provisions of this Declaration:

12.01 First Mortgage. As used in this Declaration, the term "First Mortgage" shall mean a recorded Mortgage having a first mortgage lien priority made in good faith and for value, that encumbers all or a portion of the Property or any Condominium.

12.02 Subordination of Lien and Foreclosure.

(a) Any lien created or claimed under the provisions of this Declaration (including without limitation any assessment lien provided for under the provisions of Article X above) is expressly made subject and subordinate to the rights of any First Mortgage and no such lien shall in any way defeat, invalidate, or impair the obligation or priority of such First Mortgage unless the Mortgagee expressly subordinates his interest, in writing, to such lien [except that notwithstanding the foregoing, any assessment lien created and perfected by the recordation of any Notice of Claim of Lien by the Association pursuant to Section 10.08 above prior to the recordation of a First Mortgage, shall have priority over any such later recorded First Mortgage].

(b) If any Condominium is encumbered by a First Mortgage, the foreclosure of any lien created by any provision set forth in this Declaration for assessments, or installments of assessments, shall not operate to affect or impair the lien of such First Mortgage, except for the foreclosure of any assessment lien which was created and perfected by the recording of a Notice of Claim of Lien by the Association pursuant to Section 10.08 prior to the recordation of the subject First Mortgage. Upon foreclosure

of a First Mortgage, the foreclosure purchaser shall take title to the Condominium free of the lien for assessments, or installments, that have accrued up to the time of the foreclosure sale, except that the foreclosure purchaser shall take title to the Condominium subject to any assessment lien created and perfected by the recordation of any Notice of Claim of Lien by the Association pursuant to Section 10.08 above prior to the recordation of the foreclosed First Mortgage. On taking title to the Condominium the foreclosure purchaser shall only be obligated to pay assessments or other charges levied or assessed by the Association after the foreclosure purchaser acquired title to the Condominium together with assessments evidenced by any assessment lien created and perfected by the recordation of any Notice of Claim of Lien by the Association pursuant to Section 10.08 above prior to the recordation of the foreclosed First Mortgage. The subsequently levied assessments or other charges may include previously unpaid assessments provided all Owners, including the foreclosure purchaser and his successors and assigns, are required to pay their proportionate share as provided for herein.

12.03 Mortgagees Not Required to Cure Certain Breaches. The holder of a First Mortgage who acquires title by judicial foreclosure or as a result of a trustee's sale under the power of sale provisions of such First Mortgage shall not be obligated to cure a then existing breach of this Declaration which is of a type not reasonably practical or feasible for such acquirer to cure.

12.04 Effect of Breach of Declaration. No breach of any of the covenants, restrictions or provisions contained in this Declaration shall cause any forfeiture of title or reversion or bestow any right of reentry whatsoever, nor shall any such breach defeat or render invalid the lien of any Mortgage made in good faith and for value as to the Property or any part thereof, but said covenants, restrictions and provisions shall be binding upon and effective against any Owner whose title is derived through foreclosure or trustee's sale or otherwise, and such a breach may be enjoined or abated by the Association, or by any Owner by action of court of competent jurisdiction, and damages may also be awarded against any such violation.

12.05 Notification of Breach. Subject to Section 12.15, the holder of a First Mortgage on a Condominium located within the Property, upon written request, shall be entitled to written notification from the Association of any default by the Mortgagor of such Condominium in the performance of such Mortgagor's obligations under this Declaration, the Bylaws, and/or with respect to any rule promulgated by the Association or the Architectural Control Committee pursuant to the provisions of this Declaration, which default is not cured within sixty (60) days.

87-667673

12.06 Exemption from Right of First Refusal. Any holder of a First Mortgage who obtains title to a Condominium pursuant to the remedies provided in the Mortgage or by foreclosure of the Mortgage through judicial or trustee sale proceedings or by acceptance of a deed in lieu of foreclosure shall be exempt from any "right of first refusal" which might at any time or from time to time be provided for in this Declaration, the Bylaws or by any of the documents referred to herein.

12.07 Restrictions on Certain Changes. Unless at least two thirds (2/3) of the holders of First Mortgages (based upon one vote for each First Mortgage) or Owners of Condominiums located within the Property have given their prior written approval, the Association shall not be entitled to:

(i) By act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Residential Common Areas and/or Master Common Area or any portion thereof. Nothing to the contrary herein withstanding, the granting of easements for public utilities, or for other purposes consistent with the intended use of the Residential Common Areas and/or Master Common Area and consistent with the easements referred to and/or provided for in this Declaration shall not be deemed a transfer within the meaning of this subsection;

(ii) Except in connection with the annexation of Additional Property as contemplated in this Declaration, to change the pro rata interest or obligations of any individual Condominium for the purpose of: (a) levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards, or (b) determining the pro rata share of ownership of each Unit in the Residential Common Area;

(iii) Partition or subdivide any Condominium;

(iv) By act or omission seek to abandon or terminate the Community, except for abandonment provided by statute in case of substantial loss to the Units, Residential Common Areas and/or Master Common Area; or

(v) Use property loss insurance proceeds for losses to any community property (whether to Units, to Residential Common Areas and/or Master Common Area) for other than the repair, replacement or reconstruction of such condominium property, including related litigation, costs and attorneys' fees, except as provided by statute in case of substantial loss to the

Units, Residential Common Areas and/or Master Common Area.

12.08 Inspection of Association Books and Records. The holder of any First Mortgage on a Condominium shall have the right to examine the books and records of the Association during business hours upon reasonable notice.

12.09 Condemnation Awards and Insurance Proceeds. Nothing contained in this Declaration or in any of the Community Documents shall be construed as giving any Owner or any other party priority over any rights of holding First Mortgages of Condominiums pursuant to their First Mortgages in case of distribution to Owners of insurance proceeds or condemnation awards for losses to or taking of Units, Residential Common Areas and/or Master Common Area.

12.10 Mortgagee's Right to Attend Meetings. Because of its financial interest in the Property, a Mortgagee may appear (but may not vote) at meetings of the Owners and the Board.

12.11 Payment by Mortgagees. Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Residential Common Area and/or the Master Common Area and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for the Residential Common Area and/or the Master Common Area improvements and, upon making any such payments, such Mortgagees shall be owed immediate reimbursement therefor from the Association.

12.12 Loss Payable Endorsement. All applicable fire and all physical loss or extended coverage insurance policies shall contain loss payable clauses naming the Mortgagees who encumber Condominiums by a Mortgage, as their interests may appear, provided that such Mortgagee agrees to allow the proceeds of such insurance to be used for restoration in the manner described in Article XIII below.

12.13 Establishment of Adequate Reserve Fund. Regular Assessments shall include an adequate amount to create a reserve fund for maintenance, repairs and replacement of those portions of the Residential Common Areas and/or Master Common Area that must be replaced on a periodic basis.

12.14 Amenities. Unless otherwise herein specifically provided, all amenities (such as guest parking, recreational areas and facilities, and service areas) shall be available for use by Owners, and all such amenities with respect to which regular or special assessments for maintenance or other uses may be levied, shall constitute Residential Common Area or Master Common Area. All such amenities

on the Residential Common Area shall be covered on an undivided interest basis as a part of the Residential Common Areas by any First Mortgage on a Unit, free of encumbrances except for covenants, conditions, restrictions, reservations, rights and easements which are consistent with the intended use of such amenities by the Association and the Owners (including without limitation, any easements granted for public utilities or for other public purposes or to Owners of Condominiums located in any additional property if such additional property is annexed into the Property and becomes subject to the jurisdiction of the Association.

12.15 Filing of Notice; Notices and Approvals. A Mortgagee shall not be entitled to receive any notice which this Declaration requires the Association to deliver to Mortgagees unless and until such Mortgagee, or its Mortgage servicing contractor, has delivered to the Board a written notice stating that such Mortgagee is the holder of a Mortgage encumbering a Condominium within the Property. Such notice shall state which Unit or Units are encumbered by such Mortgage and shall further state whether such Mortgagee is the holder of a First Mortgage. Except as provided in this Section 12.15, a Mortgagee's rights pursuant to this Declaration, including, without limitation, the priority of the lien of Mortgages over the lien of Assessments levied by the Association hereunder shall not be affected by the failure to deliver a notice to the Board. Any notice or request delivered to the Board by a Mortgagee shall remain effective without any further action by such Mortgagee for so long as the facts set forth in such notice or request remain substantially unchanged. The Board may charge such fee for providing any requested notice to a Mortgagee as reasonably determined by the Board and permitted by applicable law.

12.16 Estoppel Certificate. The Association shall, at the request of a Mortgagee of an interest in any Condominium located within the Property, report any unpaid assessments due from the Owner of such interest in the Condominium and any default or uncured violation by an Owner of any Community Restrictions actually known to the Association.

ARTICLE XIII

DESTRUCTION OF IMPROVEMENTS

In the case of damage by fire or other casualty to the Residential Common Areas and/or the Master Common Area:

13.01 Insurance Proceeds Sufficient to Rebuild. If the insurance proceeds available to the Association (as trustee or otherwise) are sufficient to effect total restoration of the damaged area, then the Association shall cause such Residential Common Area and/or Master Common Area to be

repaired and reconstructed substantially as it previously existed.

13.02 Insurance Proceeds Within \$25,000.00 of Being Sufficient to Rebuild. If the insurance proceeds available to the Association (as trustee or otherwise) are within TWENTY-FIVE THOUSAND DOLLARS (\$25,000) or less, of being sufficient to effect total restoration of the Residential Common Area and/or Master Common Area, then the Association shall cause such Residential Common Area and/or Master Common Area to be repaired and reconstructed substantially as it previously existed. The difference between the insurance proceeds and the actual costs (such difference not to exceed \$25,000 in the aggregate) shall be divided equally and levied as a Reconstruction Assessment against each of the Condominiums within the Community.

13.03 Insurance Proceeds Insufficient to Rebuild by An Amount in Excess of \$25,000.00. If the insurance proceeds available to the Association (as trustee or otherwise) are insufficient by more than TWENTY-FIVE THOUSAND DOLLARS (\$25,000) to effect total restoration of the Residential Common Area and/or Master Common Area, then by written consent or vote of the Owners of a majority of the Condominiums within the Community, they shall determine, within one hundred eighty (180) days following the receipt of damage/repair reports from qualified experts of the Association's choice and/or settlement or final judgment of any claim or litigation concerning the Association's right to recover such insurance proceeds, whichever is later, whether:

(a) To rebuild and restore the damaged and destroyed Residential Common Area and/or Master Common Area in substantially the same condition as such Residential Common Area and/or Master Common Area existed immediately prior to the damage and/or destruction and to raise the amount necessary to complete the restoration in excess of the amount of available insurance proceeds, by levying equal Special Assessments against all Condominiums in the Community;

(b) To rebuild and restore the damaged or destroyed Residential Common Area and/or Master Common Area in a way which utilizes all insurance proceeds available to the Association as trustee and an additional amount not in excess of \$25,000 which shall be assessable equally to all Condominiums within the Community but which method of rebuilding and restoring shall be less expensive than replacing the Residential Common Area and/or Master Common Area improvements in substantially the same condition as they existed prior to such damage and destruction; or

(c) To not rebuild, in which event the available insurance proceeds, less amounts utilized clearing debris and making the damaged or destroyed area aesthetically

pleasing, shall be distributed by the Association in the manner specified in Section 13.04 hereof.

If none of the alternatives set forth in Section 13.03(a) through (c) are timely selected by a majority of Members of the Association as aforesaid, then the alternative set forth in Section 13.03(c) shall be deemed to have been automatically selected.

13.04 Election not to Rebuild. If the Owners of the Condominiums within the Community elect not to rebuild pursuant to Section 13.03 hereof, then subject to the provisions of Section 13.05 hereof, the insurance proceeds available to the Association shall be distributed, within a reasonable period not to exceed sixty (60) days following the election and determination pursuant to Section 13.03 above, as follows:

(a) To the extent such insurance proceeds are attributable to damaged Residential Common Areas, to the Owners and Mortgagees of the Units located within damaged Residential Common Areas, as their respective interests may appear, which distribution shall be made in such a way as to give consideration to the relative degree of damage sustained by each person named above, and the relative value (as determined prior to such damage or destruction) of each of those Condominiums which had suffered damage. If the proceeds are sufficient to cover the total value of the damaged Residential Common Areas, the remainder in equal shares shall be divided among all of the Condominiums in the Community.

(b) To the extent such insurance proceeds are attributable to the damaged Master Common Area, the same shall be retained by the Association for use in performing its functions under the Community Restrictions.

13.05 Special Assessments Where Mortgagee Elects Not to Make Funds Available for Restoration. Each Owner of a Condominium shall pay to the Association as trustee at the times and on the terms set forth therein, the amount of the Reconstruction Assessment levied against any such Owner and his Condominium following the procedure set forth in this Article XIII, which amount shall be equal to the amount of any insurance proceeds paid to any Mortgagee of such Owner's interest in and to the Condominium within the Community owned by him to the extent that such insurance proceeds are so paid to the Mortgagee and are not made available to the Association as trustee to effect a restoration of the damage and/or destruction. The amount of any such Reconstruction Assessment not so paid by Owner shall become a lien on the interest of the Owner with respect to his Condominium so assessed, and such lien may be enforced, all in accordance with the provisions of Article XIII hereof.

87-667673

13.06 Terms of Reconstruction Assessments. If the Association is required to levy Reconstruction Assessments as contemplated in this Article XIII above, then such Reconstruction Assessment may be due on such dates as the Association may designate over a period of not to exceed twenty (20) years and the Association may borrow to pay the difference between the cost of restoring the damaged or destroyed Residential Common Area and/or Master Common Area improvements and the insurance proceeds available to the Association, and may secure such borrowing by an assignment of its right to collect such assessments, or by a pledge of its interest in and to any of its assets; provided that any such borrowing shall be approved by a majority of the Members of the Association.

13.07 Restoration of Unit.

(a) Subject to receiving that portion of the insurance proceeds on account of damage to or destruction of any Unit within the Community by fire or other casualty, restoration and repair of such Unit shall be made by and at the expense of the Owner of such Unit, provided that any Owner's obligation to restore and repair his Unit shall be conditioned upon the prior determination that the damaged Residential Common Areas within which the Unit is located are to be restored and repaired by the Association as provided above. In the event that repair and restoration is made to the Residential Common Areas containing a damaged or destroyed Unit as herein above provided, the restoration and repair of the Unit or Units involved shall be completed by the Owner(s) thereof as soon as practicable and in a lawful and workmanlike manner and in coordination with the efforts of the Association undertaking the restoration and repair of the Residential Common Areas within which such Unit is located.

(b) If the Owners within the Community elect not to restore and repair all or any portion of the Residential Common Areas as provided above, then any Owner and/or Owners of an affected Unit may elect, at his or their cost and expense, to cause the building in which his Unit is located to be restored and repaired so that they are returned to substantially the same condition they were in prior to the casualty. All such work shall be completed in good and workmanlike manner in accordance with law. Such work shall be coordinated with the Association and Architectural Control Committee, and shall proceed under such reasonable rules and restrictions as may be from time to time imposed by the Association.

13.08 Revival of Right to Partition. Upon damage or destruction which renders more than twenty percent (20%) of the Units in any affected Residential Condominium Project incapable of being restored to at least ninety-five percent (95%) of its floor area and to substantially its condition

87-667673

prior to the damage or destruction, the Board shall call a meeting of the Owners of Units within the affected Residential Condominium Project ("Affected Owners") within sixty (60) days after the date of the damage or destruction, by mailing notice thereof to each such Affected Owner at his address as shown on the records of the Association. The Affected Owners may, by a two-thirds (2/3) vote at such meeting or by the written consent of not less than two-thirds (2/3) of the Affected Owners, based on one (1) vote for each Unit, elect to permit sale and partition of the entire affected Residential Condominium Project, in which case the right of any Affected Owner within the affected Residential Condominium Project to partition through legal action as described in Article XV below, shall forthwith revive. The determination as to whether Condominiums partially damaged or destroyed are capable of being so restored shall be made by the Board, whose decision shall be final and binding on all Owners and Mortgagees.

ARTICLE XIV

EMINENT DOMAIN

14.01 Definition of Taking. The term "taking" as used in this Article shall mean condemnation by eminent domain, or by sale under threat thereof, of all or part of the Property. The date of a taking shall be the date which is the earlier of the date of possession or vesting in title by the entity effecting such taking.

14.02 Representation by Board in Condemnation Proceeding. In the event of a taking, the Board shall, subject to the right of all Mortgagees who have requested the right to join the Board in the proceedings, represent all of the Members in an action to recover all awards. No Member shall challenge the good faith exercise of the discretion of the Board in fulfilling its duties under this Article. The Board is further empowered, subject to the limitations herein set forth, to serve as the sole representative of the Members in all aspects of condemnation proceedings not specifically covered herein.

14.03 Restoration. In the event of a taking of portion(s) of the Residential Common Areas and/or the Master Common Area, unless otherwise provided by any judgment of condemnation:

(a) Condemnation Award Sufficient to Rebuild. If the condemnation award to the Association (as trustee or otherwise) is sufficient to effect substantially total restoration of the improvements remaining after the taking, then the Association shall cause the remaining Residential Common Area and/or Master Common Area to be repaired and reconstructed substantially as it previously existed.

87-667673

(b) Condemnation Award Within \$25,000.00 of Being Sufficient to Rebuild. If the condemnation award available to the Association (as trustee or otherwise) is within TWENTY-FIVE THOUSAND DOLLARS (\$25,000) or less of being sufficient to effect substantially total restoration of the Residential Common Area and/or Master Common Area taken, then the Association shall cause such Residential Common Area and/or Master Common Area to be repaired and reconstructed substantially as it previously existed. The difference between the condemnation award and the actual costs (such difference not to exceed \$25,000 in the aggregate) shall be divided equally and levied as a Reconstruction Assessment against each of the Condominiums within the affected Residential Condominium Project as to any Residential Common Area involved or against each of the Owners within the Community as to any Master Common Area involved.

(c) Condemnation Award Insufficient to Rebuild by an Amount in Excess of \$25,000.00. If the condemnation award available to the Association (as trustee or otherwise) is insufficient by more than TWENTY-FIVE THOUSAND DOLLARS (\$25,000) to effect substantially total restoration of the Residential Common Area and/or Master Common Area, then by written consent or vote of the Owners of a majority of the Condominiums within the affected Residential Condominium Project (as to any Residential Common Area involved) or within the Community (as to any Master Common Area involved), they shall determine, within one hundred eighty (180) days following the date of such taking, whether:

(i) To rebuild and restore the Residential Common Area improvements remaining after the taking and/or Master Common Area improvements remaining after the taking, to substantially the same condition as such Residential Common Area and/or Master Common Area existed immediately prior to the taking and to raise the amount necessary to complete the restoration in excess of the amount of the available condemnation award, by levying equal Reconstruction Assessments against all Condominiums in the affected Residential Condominium Project (as to any remaining Residential Common Area improvements involved) or against all Condominiums in the Community (as to any remaining Master Common Area improvements involved);

(ii) To rebuild and restore the remaining Residential Common Area improvements and/or Master Common Area improvements in a way which utilizes all of the condemnation award available to the Association as trustee and an additional amount not in excess of \$25,000 which shall be assessable equally to all Condominiums in the affected Residential Condominium Project (as to any remaining Residential Common Area improvements involved) or against all Condominiums in

the Community (as to any remaining Master Common Area improvements involved); but which method of rebuilding and restoring shall be less expensive than restoring the remaining Residential Common Area improvements and/or Master Common Area improvements to substantially the same condition as they existed prior to such damage and destruction; or

(iii) To not rebuild, in which event the available condemnation award shall be distributed by the Association in the manner specified in Section 14.04 hereof.

If none of the alternatives set forth in Section 14.03(c)(i) through (iii) are timely selected by a requisite majority of the Owners or group thereof as contemplated in this Section 14.03(c) above, then the alternative set forth in Section 14.03(c)(iii) shall be deemed to have been automatically selected.

14.04 Distribution of Award. In the event of a taking of Condominiums, subject to Section 14.03 above, the Board shall distribute the award forthcoming from the taking authority according to the provisions of this Section 14.04 after deducting therefrom fees and expenses related to the condemnation proceeding, including, without limitation, fees for attorneys and appraisers and court costs. In the event that the taking is by judgment of condemnation and said judgment apportions the award among the Owners and their respective Mortgagees, the Board shall distribute the amount remaining after such deductions among such Owners and Mortgagees on the allocation basis set forth in such judgment. In the event that the taking is by sale under threat of condemnation, or if the judgment of condemnation fails to apportion the award, the Board shall distribute the award among the Owners in the affected Residential Condominium Project and their respective Mortgagees based upon the relative values of the Condominiums affected by such taking as determined by the fair market value of each such Condominium as determined by an appraisal made by an independent M.A.I. appraiser engaged by the Board for such purpose. The determination by such appraiser as to the value and degree each Condominium within a Residential Condominium Project has been affected by the taking shall be final and binding on all Owners and Mortgagees. Nothing contained herein shall entitle an Owner to priority over a Mortgagee of his Condominium as to the portion of the condemnation award allocated to his Condominium. In no event shall any portion of such award be distributed by the Board to an Owner and/or the Mortgagees of his Condominium in a total amount greater than the portion allocated hereunder to such Condominium.

14.05 Inverse Condemnation. The Board is authorized to bring an action in inverse condemnation. In such event,

the provisions of this Article shall apply with equal force.

14.06 Revival of Right to Partition. Upon a taking which renders more than twenty percent (20%) of the Units in any affected Residential Condominium Project incapable of being restored to at least ninety-five percent (95%) of its floor area and substantially its condition prior to the taking, the Board shall call a meeting of the Owners of Units within the affected Residential Condominium Project ("Affected Owners") within sixty (60) days after the date of the taking, by mailing notice therefor to each such Affected Owner at his address as shown on the records of the Association. The Affected Owners may, by a two-third (2/3) vote at such meeting or by the written consent of not less than two-thirds (2/3) of the Affected Owners, based on one (1) vote for each Unit, elect to permit sale and partition of the entire affected Residential Condominium Project, in which case the right of any Affected Owner within the affected Residential Condominium Project to partition through legal action as described in Article XV below, shall forthwith revive. The determination as to whether Condominiums partially taken are capable of being so restored shall be made by the Board, whose decision shall be final and binding on all Owners and Mortgagees.

14.07 Awards for Members' Personal Property and Relocation Allowances. Where all or part of the Property is taken, each Member shall have the exclusive right to claim all of the award made for his personal property, and any relocation, moving expense, or other allowance of a similar nature designed to facilitate relocation. Notwithstanding the foregoing provisions, the Board shall represent each Member in an action to recover all awards with respect to such portion, if any, of Members' personal property as is at the time of any taking, as a matter of law, part of the real estate comprising any Condominium, and shall allocate to such Member so much of any awards as is attributable in the taking proceedings, or failing such attribution, attributable by the Board, to such portion of Members' personal property.

14.08 Notice to Members and to Board. The Board, immediately upon having knowledge of any taking or threat thereof with respect to the Property, or any portion thereof, shall promptly notify all Members and all First Mortgagees who have appropriately requested such notice in writing. Any Member, immediately upon having knowledge of any taking or threat thereof with respect to the Property, shall promptly notify the Board.

14.09 Change of Condominium Interest. In the event of a taking, the Board may amend the applicable Condominium Plan to reflect the change in the affected Residential Condominium Project. In the event that the Board decides to record such amendment to the Condominium Plan, all Owners

within such Residential Condominium Project and the record holders of all security interests in such Residential Condominium Project shall execute and acknowledge said amendment so that it will comply with Section 1351 of the California Civil Code or any similar statute then in effect. Said Owners and holders of security interests shall also execute such other documents or take such other actions as required to make such amendment effective. --The Board shall cause a notice of change in the Condominium Plan to be sent to each Owner and Mortgagee in such Residential Condominium Project within ten (10) days of the filing of such amendments in the Orange County Recorder's Office.

ARTICLE XV

COVENANT AGAINST PARTITION AND RESTRICTION ON SEVERABILITY OF CONDOMINIUM COMPONENT INTEREST

15.01 No Partition; Exceptions; Power of Attorney.
The right of partition is hereby suspended, except that the right to partition shall revive and any Residential Condominium Project within the Property may be sold as a whole, or more than one Residential Condominium Project may be sold together, when the conditions for such action set forth in Articles XIII and/or XIV hereof have been met, and if all of the Residential Condominium Projects are so concurrently sold, then the Master Common Areas shall be sold together with said Residential Condominium Projects. Notwithstanding the foregoing, any Owner may, upon the prior written approval of the holder of a First Mortgage of his Unit, bring an action for partition by sale of the Residential Condominium Project in which his Unit is located, as provided in Section 1359 of the Civil Code of the State of California or any similar statute then in effect upon the occurrence of any of the events therein provided. If any Unit shall be owned by two (2) or more co-tenants, nothing herein contained shall be deemed to prevent a judicial partition as between such co-tenants. The Association, acting through its Board, is hereby granted an irrevocable power of attorney, coupled with an interest, to sell any Residential Condominium Project for the benefit of all Owners of Condominiums within such Residential Condominium Project and their Mortgagees of record, as their respective interests appear, when partition of such Residential Condominium Project may be had under said Section 1359 of the California Civil Code, and to the extent permitted by law when partition of such Residential Condominium Project may be had under the provisions of Articles XIII and/or XIV hereof. The foregoing irrevocable power of attorney shall be exercisable only after recordation of a certificate executed by a majority of the members of the Board, which certificate shall state that said power of attorney is duly exercisable under the circumstances. Such certificate shall be conclusive evidence to the effect that the said power of attorney is properly exercisable under the

circumstances in favor of any person relying thereon in good faith.

15.02 Proceeds of Partition Sale.

(a) Whenever an action is brought for the partition by sale of any Residential Condominium Project, whether upon the occurrence of any of the events provided in Section 1359 of the Civil Code of the State of California (or similar statute then in effect) or upon the revival of the right to partition pursuant to the provisions of Articles XIII and/or XIV hereof, (i) the Owners of Units located in such Residential Condominium Project shall share in the proceeds of the sale of such Residential Condominium Project in the same proportion as the relative values of their respective Condominiums; and (ii) if the Master Common Area is sold, the Owners of all Units in the Community shall share in the proceeds of the sale of the Master Common Area in the same proportion as the relative values of their respective Condominiums. As used in the foregoing sentence, the relative value of each Condominium shall be determined by comparing the fair market value of an Owner's Condominium on the date of partition or date of taking under California Civil Code Section 1359 as established by an independent appraisal conducted by an M.A.I. Appraiser selected by the Association to (i) the total fair market valuation for all Units in such Residential Condominium Project on said date as to proceeds attributable to the sale of such Residential Condominium Project; and/or (ii) the total fair market valuation for all Units in the Community on said date as to proceeds attributable to the sale of the Master Common Area.

(b) The distribution of the proceeds of any such partition sale shall be adjusted as necessary to reflect any prior distribution of condemnation award and/or insurance proceeds as to partition by sale under California Civil Code Section 1359 as may have been made to Owners and their Mortgagees pursuant to Articles XIII and XIV hereof. In the event of any such partition and sale, the liens and provisions of all Mortgages or assessment liens encumbering Units within the Residential Condominium Projects so encumbered shall extend to each applicable Owner's interest in the proceeds of such partition and sale. The interest of an Owner in such proceeds shall not be distributed to such Owners except upon the prior payment of any Mortgage or assessment encumbering such proceeds as aforesaid.

15.03 No Separate Conveyance of Condominium Components. No Owner shall be entitled to sever the component interests respecting his Condominium, including, but not limited to, the fact that the Unit may not be severed from the Residential Common Areas. Component interests respecting a Condominium may not be severally sold, conveyed, encumbered, hypothecated or otherwise dealt with any such attempt

to do so in violation of this provision shall be void as a severance and of no effect as such. Nothing in the foregoing shall be deemed to preclude the lease of or sale of Condominiums, whether to one person, or to more than one person, to be held by them as tenants-in-common, joint tenants or as community property. The provisions of this Section 15.03 shall terminate on the date that judicial partition has been decreed or a partition in accordance with the provisions of this Article XV and/or California Civil Code Section 1359 has been otherwise properly effected.

ARTICLE XVI

AMENDMENT

This Declaration may only be amended and/or supplemented in either of the following ways:

(a) By an instrument in writing signed by Members of the Association holding not less than a majority of the voting power of the membership of the Association; or

(b) By an instrument in writing signed by any two (2) officers of the Association certifying that the amendment provided for in such instrument has been approved by the vote or written consent of Members of the Association holding not less than a majority of the voting power of the membership of the Association.

Notwithstanding the foregoing provisions of this Article XVI, the percentage of the voting power of Members of the Association necessary to amend a specific clause or provision of this Declaration shall not be less than the percentage of affirmative votes prescribed for action to be taken under that clause or provision. To be effective, any amendment to this Declaration must be properly recorded in the Office of the County Recorder for Orange County.

ARTICLE XVII

ENFORCEMENT

The Association, or any Owner, shall have the right to enforce, in any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, and in such action shall be entitled to recover reasonable attorneys' fees as ordered by the court. Failure by the Association or by any Owner to enforce any covenants or Community Restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter. The exercise of any rights or remedies as herein provided with respect to any default shall not preclude or affect the subsequent exercise of such rights or remedies at different

times or for different defaults. The respective rights or remedies, whether provided by the Community Documents or by law, or available in equity, shall be cumulative.

ARTICLE XVIII

NOTICES

Any notice permitted or required to be delivered as provided herein shall be in writing and may be delivered either personally or by mail. Except as otherwise herein specifically provided, if delivery is made by certified or registered mail, it shall be deemed to have been delivered seventy-two (72) hours after a copy of same has been deposited in the United States mail in the State of California, postage prepaid, addressed to any person at the address given by such person to the Association for the purpose of service of such notice, or to the Unit of such person if no address has been given to the Association. Such address may be changed from time to time by notice in writing to the Association.

ARTICLE XIX

TERM OF DECLARATION

The covenants and restrictions of this Declaration shall run with and bind the Property, and shall inure to the benefit of and shall be enforceable by the Association or the Owner of any Condominium subject to this Declaration, their respective legal representatives, heirs, successors and assigns, until and including December 31, 2037, after which time the term shall be automatically extended for successive periods of ten (10) years each, unless an instrument in writing, approved and signed by the requisite number of parties pursuant to Section 2.03 or Article XVI above has been recorded within the year preceding the commencement of each such successive period of ten (10) years, agreeing to amend the Declaration in whole or in part, or to terminate the same.

ARTICLE XX

NO RIGHTS GIVEN TO PUBLIC

Nothing contained in this Declaration shall be deemed to be a gift or dedication of any portion of the Property to the general public or for any public use or purpose whatsoever.

ARTICLE XXI

UTILITIES

21.01 Owner's Rights and Duties. The rights and

duties of the Owners of Condominiums within the Community with respect to sanitary sewer, water, electricity, gas, cable television, telephone, and other utility lines and facilities, and heating and air-conditioning facilities, if any, shall be as follows:

(a) Whenever sanitary sewer, water, electricity, gas, television receiving, telephone and other utility lines or connections, heating or air-conditioning conduits, ducts, or flues are installed within the Community, which connections, or any portion thereof, lie in or upon Condominiums owned by other than the Owner of a Condominium served by said connections, the Owner of any Condominium served by said connection shall have the right, and is hereby granted an easement to the full extent necessary therefor, to enter upon the Condominiums or to have the utility companies enter upon the Condominiums in and upon which said connections or any portion thereof lie, to repair, replace and generally maintain said connections as and when necessary.

(b) Whenever sanitary sewer, water, electricity, gas, television receiving, telephone or other utility lines or connections, heating or air-conditioning conduits, ducts or flues are installed within the Community, which connections serve more than one Condominium, the Owner of each Condominium served by said connection shall be entitled to the full use and enjoyment of such portions of said connections as service his Condominium.

21.02 Easements for Utilities and Maintenance. Easements over and under the Property for the installation, repair, and maintenance of electric, telephone, water, gas, sanitary sewer and other utility lines and facilities, air-conditioning and heating facilities, cable or master television antennae and lines, drainage facilities, walkways, access ways and landscaping as may be required or needed to service the Property have been heretofore reserved by and conveyed to the Association, together with the right to grant and transfer same; provided, however, that such easements shall not unreasonably interfere with the use and enjoyment of the Units, Residential Common Areas and Master Common Area by the Owners.

21.03 Association's Duties. The Association shall maintain all utility installations located in the Residential Common Areas and the Master Common Area, except for telephone and television or cable television lines which shall be maintained by the Owners pursuant to Section 4.18(c) above, and except for those installations maintained by utility companies, public, private or municipal. The Association shall pay all charges for utilities supplied to the Community except those metered or charged separately to the Units, and such charges paid by the Association shall be a part of the Common Expenses.

87-667673

ARTICLE XXII

RESERVATION AND ESTABLISHMENT OF
CERTAIN EASEMENTS

22.01 Affirmation of Easements. The easement provisions contained in the Master Declaration and the Supplemental Declarations are hereby incorporated herein and affirmed by the undersigned on behalf of the Owners. Such easements have been heretofore granted to each Owner and reserved by the predecessor-in-interest to, or granted to, the Association. Such easements, for purposes of clarity, are set forth herein, and, as to the easement set forth in Section 22.06(b) below, expanded herein.

22.02 Encroachment Easements for Condominiums. Each Condominium has an easement over all adjoining Condominiums, the adjoining Residential Common Areas and/or Master Common Area for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of the building, or any other cause. There shall be valid easements for the maintenance of said encroachments as long as they shall exist, and the rights and obligations of the Owners shall not be altered in any way by said encroachment, settlement or shifting; provided, however, that in no event shall valid easements for encroachment be created in favor of the Owner or Owners if said encroachment occurred due to the willful misconduct of said Owner or Owners. In the event a structure is partially or totally destroyed, and then repaired or rebuilt, the Owners of each Condominium agree that minor encroachments over adjoining Condominiums, Residential Common Areas or Master Common Area shall be permitted and that there shall be a valid easement for the maintenance of said encroachments so long as they shall exist. With respect to any Units where air-conditioning equipment is installed in the Residential Common Areas or Master Common Area by any Owner or the Association with the approval of the Board and the Architectural Control Committee, an easement over the Residential Common Areas into which the air-conditioning equipment encroaches shall exist for the purpose of access to such equipment and for the purpose of maintenance, replacement and repair of said equipment.

22.03 Encroachment of Residential Common Areas upon Unit. If any portion of the Residential Common Areas and/or the Master Common Area encroaches upon the Units in a minor way, a valid easement for the minor encroachment and for the maintenance of same, so long as it exists, is hereby granted. The Residential Common Areas and the Master Common Areas are and shall always be subject to easements for minor encroachments thereon by any Unit and for maintenance thereof.

22.04 Definition of Specified Residential Common

Areas. For purposes of this Article XXII, the term "Specified Residential Common Areas" shall mean all Residential Common Areas excepting any restricted Residential Common Areas and the areas upon which all buildings and garages are located (including without limitation all such buildings and garages).

22.05 Restricted Residential Common Areas. All Condominium Owners have been granted an exclusive easement (to the extent provided) for use of any areas described and/or shown herein and/or on any Condominium Plan for a Residential Condominium Project located within the Property as Restricted Residential Common Areas appurtenant to the Unit owned by him.

22.06 Non-Exclusive Easements. Subject to the provisions hereof, including but not limited to the provisions of 22.09 below, each Condominium within the Property has appurtenant thereto (as heretofore and hereby granted to the Owners), and the Association has, as successor to Developer and/or by grant and appurtenant to the Master Common Area, the following non-exclusive easements:

(a) A non-exclusive easement for pedestrian access, ingress, egress and travel over, across, and through the Specified Residential Common Areas and Master Common Area for the benefit and enjoyment of the respective Owners and their successors, assigns, guests, servants, licensees and invitees;

(b) A non-exclusive easement for vehicle access, ingress, egress, and travel over, across, and through the Specified Residential Common Areas, Recreational Areas and Private Street Areas (it being understood that such non-exclusive easements shall be limited to those portions of the Specified Residential Common Areas and the Recreational Areas as may from time to time be improved for vehicular driveways, access, ingress, egress and travel) for the benefit and enjoyment of the respective Owners and their successors, assigns, guests, servants, licensees and invitees;

(c) A non-exclusive easement for vehicular parking on and over the Specified Residential Common Areas and Master Common Area, which non-exclusive easement shall be subject to the restrictions and provisions contained in Section 4.09 hereof (it being understood that such non-exclusive easements shall be limited to those portions of the Specified Residential Common Areas and Master Common Area as may be from time to time actually developed as vehicle parking spaces) for the benefit and enjoyment of the respective Owners and their successors, assigns, guests, servants, licensees and invitees;

(d) A non-exclusive easement and right to use

any and all clubhouse and recreational facilities which may be developed and exist from time to time within the Specified Residential Common Areas and Recreational Areas for the benefit and enjoyment of the respective Owners of Condominiums within the Property, and their successors, assigns, guests, servants, licensees and invitees; it being understood that such non-exclusive easement and right shall be limited to those portions of the Specified Residential Common Areas and Recreational Areas as may be from time to time actually developed with clubhouse and recreational facilities; and

(e) A non-exclusive easement for vehicular and pedestrian ingress, egress and travel over, across, and through that certain portion of the property described as the Vehicle Storage Area, as more particularly shown and described on the Plot Plan attached to the Phase II Supplemental Declaration as Exhibit "C" and delineated thereon as the Vehicle Storage Area non-exclusive access easement; such non-exclusive easement shall be for the benefit of the owners of the condominiums now or hereafter developed within the community, and their successors, assigns, guests, servants, licensees and invitees.

22.07 Intentionally Omitted.

22.08 Other Easements. The Association and/or the Owners also have the easements described in Section 7.03 (Non-Exclusive Private Street Easements) and Sections 9.06, 21.01 and 21.02 (Utility Easements).

22.09 Matters Affecting Non-Exclusive Easements. Each and every of the non-exclusive easements described in this Article XXII above are and shall be subject to:

(a) All general and special real property taxes, assessments and bonds, not delinquent;

(b) All covenants, conditions, restrictions, reservations, rights, rights-of-way and easements of record which have priority as a matter of law over the aforementioned easements; and

(c) Any and all reasonable rules and regulations pertaining to any of the Residential Common Areas and the Master Common Area, as such rules and regulations may from time to time be established and promulgated by the Association as herein provided.

22.10 Rule Against Perpetuities. The licenses, easements, rights and rights-of-way described or provided for pursuant to the provisions of this Declaration may be granted at any time prior to twenty-one (21) years after the death of the individual(s) who have signed this Declaration in any capacity whatsoever (and their issue who are in being as of

87-667673

the date hereof).

22.11 No Surcharging. Neither the use of the dominant tenement nor the use of any of the non-exclusive easements described in this Article XXII, nor the division from time to time of such dominant tenement into two or more parcels for any purpose whatsoever shall be deemed to constitute a surcharge upon said easements.

ARTICLE XXIII

The use herein of (a) the singular number shall not exclude the plural and vice versa; (b) the masculine gender shall be deemed to include the feminine and neuter; and (c) the neuter gender shall be deemed to constitute the masculine and/or feminine, whenever the sense of this instrument so requires.
