

REMINDER: Leaving food and water out for wildlife is against community rules, which state the following:

***24.3 Pets must be fed indoors; food may NOT be placed on patios, balconies or other outdoor areas.***

and

***24.11 In accordance with California State Law, residents shall NOT feed wild animals, such as coyotes, squirrels, rabbits, raccoons, ducks or other birds. Exception: hummingbird feeders.***

Doing so will result in fines as determined by the following rule addendum:

***Addendum E – Violation of Placing food items, including bird feeders, on patios or in Common Areas for birds, squirrels, coyotes, or other wildlife.***

***1st Offense – Minimum \$250 fine and/or suspension of privileges, as applicable***

If you witness a Resident or their guest feeding wildlife, please report the activity to Management at (714) 960-5475.

Thank you,

***Management***
