August 06, 2021

Dear Residents,

Pool and pedestrian gate keys are available for sale at the Management office for \$3.00 each, cash only. Please do not have keys duplicated offsite. Keys made offsite are causing damage to the locking mechanism at the pool and pedestrian gates, for this reason Management has a supply of keys ready for sale to registered Residents.

Residents may also go to the Woodshop to have pool and pedestrian gate keys made, as well as many other types of keys (home, toolboxes, etc.) for a fee.

Thank you,

*Management*
