

# Huntington Landmark

February 16, 2021

Dear Residents:

To schedule a large item pickup (refrigerator, furniture etc.) with the trash company *Republic Services*, please call the phone number listed below. The number has been designated specifically for Huntington Landmark residents – please ask for “Rhonda”:

***Republic Services (657) 845-6095***

Be ready to provide your specific Unit address and a credit card for payment. The “bulky” item program has a flat rate fee of \$26.32 per item (subject to change). The representative will advise you on where to place your item – please be sure to leave a note on your item stating, “pick up for *Republic Services*”. Doing so ensures other residents are aware your item is waiting to be picked up and is not an abandoned item.

If you have any questions, please call the Management Office at (714) 960-5475.

Thank you,

*Management*
